*National Shrine of Divine Mercy  
Rosa Mystica House of Prayer  
Little Audrey Santo's Home  
June 17- 21, 2019*

Our Divine Mercy pilgrimage will include a day at the **National Shrine of Divine Mercy in Stockbridge, MA**, where we will pray at the Chapel of Our Lady of Mercy and Chapel of the Holy Innocents, as well as a day at the **Rosa Mystica House of Prayer in New York**.

Special to our pilgrimage this year is a visit to the **home of Little Audrey in Worcester, MA**, for veneration of the bleeding hosts and praying the Rosary. Audrey Santo received worldwide attention after falling into her family's pool on August 9, 1987, at the age of three. Medical care sent her body into shock and she was unable to care for herself. Aware of her surroundings, she interacted with family and visitors. She was surrounded by six consecrated hosts that bled and holy objects that oozed oil. Ever since her death at the age of 23, in 2007, these inexplicable phenomena continue to happen.
